

porter's lodge and main hallway

This fine hotel is in close proximity to the Umbe Country Club, the Umbe Tobacco Auction Floors and the Umbe central business district. It's also the gateway to the beautiful and scenic Thyolo and Mulanje tea estates.

The guest rooms are particularly spacious, and have recently been renovated. All thirty-seven rooms are en suite with shower and pleasant views of the gardens.

Standard throughout all rooms is air conditioning, telephone and DSTV, razor plug, hair-dryer, bathroom amenities and in-room tea and coffee-making facilities. The hotel has a new 80 seat conference room. There is a smaller conference room, for guests who need to hold business meetings or presentations. This room can also be used as a private board room.

Our cozy restaurant offers the traditional Shire Highlands breakfast. The Livingstone Restaurant offers distinctive Midovian Cuisines for lunches and dinners.

amenities in the hotel room

When work is done there are plenty of attractions for the weary businessman. The Umbe country club is within easy reach, offering one of the most beautiful golf courses in Africa. Even to walk around it without the benefit of a round of golf is a pleasure.
